

Parent/Guardian Responsibility Form Family Vacation Trips

We, the parents/guardians of _____,
are voluntarily removing our child from the classroom for a family
vacation/trip extending from _____
through _____.

We understand that by removing our child from the classroom
during this period, we bear full responsibility for his/her education
during this time. We hereby relieve Christ the King of its
responsibility for lost instruction time and any effect on our child's
grades, which may result if subsequent tests include material
presented only in the classroom and not found in the textbooks.

We have read the provisions of the "Family Vacation/Trip Policy"
found on pages 17-18 of the handbook and agree to comply with
the policy as stated. We understand that it is our responsibility to
insure that our child obtains, completes and turns in all
assignments, and arranges to take all necessary tests missed during
his/her planned absence.
